# INTERNATIONAL EVENTS

The Roscongress Foundation has experience in holding business events around the world.

# WHY ROSCONGRESS INTERNATIONAL?

In the years since its founding, the Roscongress Foundation has built up a network of international partners in every region of the world.

Today there are more than **170** partner business organizations – business associations, development institutes, chambers of commerce, business councils  
in **78** countries.

Taking into account the existing competencies and relations with foreign diplomatic and business circles, the network of project offices operated by Roscongress International will promote bilateral and multilateral ties, and the implementation of business and investment projects between Russian and foreign partners.

# ADDITIONAL OPPORTUNITIES

**OVERSEAS PROJECT OFFICES** will allow partners to take full advantage of the opportunities provided by the Roscongress Foundation ecosystem.

## **RC-INVESTMENTS**

- Organizing and securing equity and debt financing from Russian and international sources
- Participation in share capital of project companies via minority participation with guaranteed exit from projects
- Assessment and selection of viable state support tools for investment and export-oriented projects
- Assessment and selection of business projects in line with client queries and criteria
