ROSCONGRESS INTERNATIONAL

The **Roscongress Foundation's** international platform is designed to support the development of international dialogue on trade, economic, cultural, and humanitarian cooperation.

Its **key task** is to create international communication platforms that facilitate the establishment and maintenance of business contacts between representatives of Russian and foreign business communities, the implementation of joint projects in various fields, and the expansion of mutually beneficial cooperation as a whole.

ROSCONGRESS INTERNATIONAL

Thanks to the reliable business connections and regular international events organized by the Roscongress Foundation, long-term partnerships have been established with more than 200 foreign economic partners in 89 countries around the world.

The Roscongress International platform identifies solutions for the well-coordinated management of convention and exhibition events, expert analysis, and communication initiatives:

- ❑ Supports participation of Russian government bodies, business organizations, and commercial companies in international exhibitions and forums
- ❑ Holds its own international events abroad, including forums, exhibitions, and roadshows
- ❑ Assists Russian businesses in establishing communication with foreign partners
- ❑ Organizes events on the sidelines of leading foreign forums and exhibitions
- ❑ Facilitates the participation of representatives of foreign states and organizations in major convention and exhibition events in Russia and its regions
- ❑ Organizes business missions of Russian business associations and export-oriented companies abroad
- ❑ Provides consulting and analytical support to both Russian and foreign businesses
- ❑ Arranges business missions of foreign states' representatives to Russia

BUSINESS TRAVEL

Business travel is one of Roscongress International's projects, within which we organize themed business tours around the world. Due to our established international connections, we are ready to offer an exclusive business mission to one country, or a tour of several countries (based on specific client requests).

The business mission programme covers a wide range of topics, including:

- ✓ Import substitution, identifying alternative suppliers
- ✓ Energy and infrastructure
- ✓ Entering new markets with agricultural products, metals, and chemicals
- ✓ Technological and digital cooperation
- ✓ Pharmaceuticals and medicine
- ✓ Logistics, transport corridors
- ✓ Science and education
